## PRO PAD GEL SEAT INSERTS AND TOP PADS NOW AVAILABLE FROM KMS SPORTGROUP

KMS Sportgroup and Pro Pad Inc. are proud to announce the addition of the full line of Pro Pad Gel Seat inserts and Top Pads to their rapidly expanding accessory program for Canada.

The Pro Pad line of high tech Polymer Gel Inserts and Top Pads are a favorite of many of the leading Custom Seat finishers, and bike manufacturer's throughout North America.

Featuring a Dry Polymer, Viscoelastic Gel material that will never harden, the Pro Pad insert has an operating range of -60 to + 210 degrees. The Pro Pad Gel Pad and Top Pad attacks rider fatigue by reducing shock, vibration, and unwanted pressure points. Unlike other Gel cores, Pro Pad Gel inserts were originally designed for demanding

medical applications and have now been reformulated for the motorcycle rider.

Available in 6 precut sizes the Pro Pad Gel Insert offers a custom seat builder, retailer or manufacturer, the maximum opportunity to meet a broad range of customer needs.

For the customer who wishes to add a gel pad to his ride easily, the Pro Pad line of Top Pads, offer the same high quality inserts in a fully finished slip on pad in either Real Sheepskin, Leather or quilted fabric covered Top Pad.

After many requests the company now also offers top pads for a range of truck and commercial applications.

Installers, fabricators, and manufacturer's inquire about our retail referral program.

**If it isn't a Pro Pad, you aren't using the best pads in Canada. Ask for them by name, Pro Pad from KMS Sportgroup.**
