## **THE EVOLUTION OF MOTORCYCLE SECURITY LAUNCHES IN CANADA!**

KMS Sportgroup Inc. in conjunction with Hawg Halters Inc. and Roadlok Security Systems LLC, announce the launch on Dec 6<sup>th</sup>/2006 of the exciting **New Sniper© RoadLok Security System** for V-Twins.

**KMS Sportgroup Inc.** is proud to deliver this exciting new security technology to the Canadian Riding market. **RoadLok Security** is the developer of the world's first and only model specific motorcycle locking system. Launching first the **Arachnid Series MID** ( Motorcycle Immobilization Devices ) in the Sportbike segment, now they continue their evolution by introducing an **MID for the American Cruiser** market as well!

Partnered with HHI ( Hawg Halters Inc) the new Sniper MID features the award winning technology of the HHI series 500 brake caliper and Patented locking system of RoadLok Security.

~ MORE ~

This patented system delivers outstanding security, prevents motorcycle damage caused by trying to roll away with a typical disk lock installed and prevents personal injury from absent minded riders forgetting to remove their disk locks.

The Sniper Series MID is available for all 1984 to 2007 Harley Davidson Motorcycles© in brilliant Show Chrome.

**When only the best will do!**
