## **Wizard's/ KMS Sportgroup Inc. Multi Fiber Cloths Set The Standard, Absorbs 10 Times Faster!**

WIZARDS® / KMS Sportgroup Inc. introduces their Multi-Fiber™ Detail Cloth.

New technology in manufacturing combines materials that guarantee an absolutely lint free towel that will not streak, smear or scratch. Its sleek design dries any surface up to ten times faster than a regular terry towel, 100% cotton cloth diaper or paper towel. The cloth is extremely durable and can be washed hundreds of times.

The Multi-Fiber™ Detail Cloth is perfect for use with the highly regarded WIZARDS® Mist-N-Shine™ Detailer. Mist-N-Shine™ is a quick spray that lifts dust, bugs, finger- prints, minor scratches and surface imperfections, leaving behind a slippery, deep, high gloss finish. This product contains no wax, silicone or petroleum solvents and never leaves a surface film or residue. Mist-N-Shine™ is the preferred detailer used by body shop professionals.

**When only the best will do!**
