KMS Sportgroup Inc & Pro Pad Inc are proud to offer the largest range of 128 DB self contained airhorns for your V-Twin bike. These air horns are built to last featuring a heavy gauge steel bracket and 18 gauge steel or cast aluminum cover. Mini Beast Air Horn's deliver a streamlined installation of only 3 wires + 1 nut for a simple no head-ache installation and you have a finish choice of Chrome, Black Anodized or Black Wrinkle. When you want quality accessories remember KMS Inc and Pro Pad Inc!
