Nov. 1/2007

KMS Sportgroup Inc. and Doherty Machine release their new Fall Program.

The Doherty Machine Company of Prescott Arizona announces the release of their fall parts program in Canada with KMS Sportgroup Inc.

For 20 years Doherty Machine has designed and proudly manufactured their highly engineered products in the USA, with applications for a broad range of V-Twin Motorcycles.

KMS Sportgroup Inc. is proud to add this prestigious line to their sales efforts and look forward to answering dealer sales calls for these outstanding products.

Leading the product line will be the **Doherty Machine Power Pacc Air Cleaner Kits** in two models for Fuel Injected bikes both with or without the exciting Power Vent system pioneered by Doherty Machine. The Power Pacc Systems also fit Sportsters, Evo Applications and Indians.

The patented **Myst Free Oil Blow Device** has been repeatedly called the definitive way to stop all blow by in a Twin Cam motor, period!

The Exciting new **Billet Can Covers** offers a new dimension in customizing the look of your Twin Cam.

The complete new range of **Saddle Bag Latches** offers a new look to the Custom Bagger Project Bike.

For the Custom Shop, and dealer alike, the **Doherty Machine Wheel Spacer kit** offers the ultimate shop selection and is stocked in both mini and master kit assortments.

Just in time for Christmas, the Chrome Bezel Speaker kit is now in production for that special rider.
