ENERGY ONE® Performance Clutches

When Quality counts use the best!

The Best Clutch Components in the USA !!!

KMS Sportgroup Inc. wants to give your service & parts departments a real edge, with our fall sale of the **Energy One® Performance Clutches** for V-Twins.

Here's the deal....**buy any 6 assorted clutch packs**, and we will **ship them freight prepaid** to your door.

With over 30 years of experience in the high performance motorcycle clutch industry, **ENERGY ONE® Clutches** are the optimum choice for replacement clutch plates and components for the Harley Davidson® motorcycle. **WE WANT TO BE YOUR CLUTCH SUPPLIER !!!**.

All **ENERGY ONE®** clutch plates and components are 100% manufactured in the USA by skilled craftsmen using the latest tools and CNC equipment.

All Big Twin kits containing both steel and friction plates have pre-set clutch pack height for quick, convenient installation and the ultimate in reliability under all street or race track conditions! The Fastest Bikes in Canada run Energy One shouldn't you?

BIG PONIES NEED ENERGY ONE CLUTCHES!
